

2023 DISPLAY CATALOG

The Drive-Thru Christmas light display will be available each weekend beginning Saturday, November 25, 2023 and ending on Monday, January 1st, 2024 from 5:30 – 8:30 PM.

We are gearing up for the 5th annual Festival of Lights. As the light show continues to grow in popularity, we are committed to making the exhibit at the Mayfield-Graves County Fairgrounds even bigger and better. Local businesses, community organizations, churches, families, and more are invited to show their support by sponsoring a new commercial light display. A portion of all light display sales will be donated back to the Mayfield-Graves County Fairgrounds to fund ongoing events and revitalization efforts. We hope we can count on your support for this community-wide Christmas celebration.

Want to show your Christmas spirit at the 2023 Festival of Lights? Let's get started!

Step 1 – View Available Commercial Light Displays

Attached is a catalog of available light displays that will be sold on a first come, first serve basis. If a light display offers animation and you would like to view the display in action, please go to http://www.christmasdonebright.com/ or http://www.lorislighteddlites.com and use the search bar to type in the design name/id number.

Step 2 – Reserve Your Favorite Light Display Today

Simply contact the Mayfield-Graves County Parks Department by calling (270) 705-5888 or by e-mailing at mgcfestivaloflights@gmail.com. Please know that if your sign has already been purchased, you will be contacted to choose another light display.

Step 3 – Order and Pay for Your New Light Display

After reserving your light display, the Mayfield-Graves County Parks Department will send you an invoice. The deadline to order and for payment is Monday, October 2, 2023.

Please contact the Mayfield-Graves County Parks Department at (270) 705-5888 or by e-mail at mgcfestivaloflights@gmail.com if you have any questions.
