## DISPLAY CATALOG

The Drive-Thru Christmas light display will be available each weekend beginning Saturday, November 30, 2024 and ending on Wednesday, January 1st, 2025 from 5:30 – 8:30 PM.

We are gearing up for the 6<sup>th</sup> annual Festival of Lights. As the light show continues to grow in popularity, we are committed to making the exhibit at the Mayfield-Graves County Fairgrounds even bigger and better. Local businesses, community organizations, churches, families, and more are invited to show their support by sponsoring a new commercial light display. A portion of all light display sales will be donated back to the Mayfield-Graves County Fairgrounds to fund ongoing events and revitalization efforts. We hope we can count on your support for this community-wide Christmas celebration.

## ***Want to show your Christmas spirit at the 2024 Festival of Lights? Let's get started!***

### **Step 1 – View Available Commercial Light Displays**

Attached is a catalog of available light displays that will be sold on a first come, first serve basis. If a light display offers animation and you would like to view the display in action, please go to <http://www.christmasdonebright.com/> or <http://www.lorislighteddlights.com> and use the search bar to type in the design name/id number.

### **Step 2 – Reserve Your Favorite Light Display Today**

Simply contact the Mayfield-Graves County Parks Department by e-mailing at [mgcfestivaloflights@gmail.com](mailto:mgcfestivaloflights@gmail.com). Please know that if your sign has already been purchased, you will be contacted to choose another light display.

### **Step 3 – Order and Pay for Your New Light Display**

After reserving your light display, the Mayfield-Graves County Parks Department will send you an invoice. The deadline to order and for payment is Tuesday, October 1, 2024.
